

Eastern Shelburne Accessibility Advisory Committee

EXPRESSION OF INTEREST

(Committee Board Member- Volunteer position 2- Vacancies)

The Eastern Shelburne Accessibility Advisory Committee is currently seeking individuals who are interested in participating as sitting members of the committee. This is a volunteer position but as a sitting member you will have standing on the committee to present, strategize, discuss, make motions and have full voting privileges.

As a member of the committee, you will have the opportunity to:

- Identify, strategize and provide recommendations to the Municipality of Shelburne and the Towns of Shelburne and Lockeport in achieving accessibility by creating an inclusive and barrier-free environment for individuals with disabilities.
- Commitment to ensure individuals with disabilities can participate fully in society.
- Being able to provide support, guidance and education to organizations, businesses, residents of the importance in creating an inclusive and barrier-free environment.
- Regular review, update and communicate the Eastern Shelburne Accessibility Strategic Plan ensuring compliance with the Nova Scotia Accessibility Act and Human Rights as enshrined in the Canadian Charter of Rights and Freedoms, Section 15.
- Will be required to attend committee meetings scheduled quarterly unless communicated in advance of change.

Area of Search

Open to permanent residents of the Town of Lockeport. Individuals with disabilities are encouraged to participate. Please submit a letter of interest detailing your skills, experience and reasons for wishing to join the committee.
