We're excited to announce that **Lockeport has been selected by Digital Nova Scotia** to receive a grant to **redesign our town website!**

We've partnered with **Myra Media** to help us create a fresh, modern, and user-friendly online space that truly reflects our community.

We Want to Hear From You!

Your voice matters! Tell us what information, features, and tools you'd like to see on the new website.

We also want to know how you prefer to stay connected with the Town — by **email, text, or social media?**

Survey Coming Soon

Our community survey will launch later this month. We'll ask a few simple questions about how you use the current site and what would make the new one even better.
